DETAILED ACTION

Allowable Subject Matter

1. Claims 6-9, 12-17 and 19-26 are allowed (Claims 1-5, 10-11 and 18 are canceled by the Applicant).
2. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 6-9 and 12 is the inclusion of the limitation of an attenuator and a phase shifter connected in series between the divider and one of the plurality of antenna elements, the attenuator attenuating the input signal and the phase shifter shifting a phase of the input signal. It is this limitation found in each of the claims, as it is claimed in the combinations, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of claims 13-17 and 19-26 (See Office Action mailed on 06/12/06).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
